

Values

R: Respect

We communicate, listen, and act with high regard for others, sharing information in a constructive manner, and treating others with dignity and grace.

S: Service

We are dedicated to helping the residents and visitors of our state and our fellow employees to thrive.

I: Integrity

We do the right thing, acting with honesty, transparency and strong ethical principles.

T: Teamwork

We work collaboratively with one another towards a common goal, breaking down silos, and building mutual trust.

A: Accountability

We are responsible stewards of public resources, follow through on our individual and shared commitments, and move past setbacks to achieve growth.
